

Buy a Brick to Honor an Individual or Group, And Help St. Nicholas Church Bring Its Vision To Life!

St. Nicholas Episcopal Church in Darnestown, Maryland, recently completed construction on the first new church in the Diocese of Washington in over 40 years. After many years of planning, we are beginning to realize our dream of “A Home for Us to Share!” Our newly-completed building is the first of three phases to be built over the next decade. To accomplish this we will need both prayer support and financial support during the coming years.

The proceeds from the bricks you purchase will help fund our church building projects and will form a beautiful walkway around the Worship/Fellowship Center. These custom engraved bricks will pay tribute to individuals, groups, events and companies that have a special place in our hearts and lives. St. Nicholas invites you to be a part of this vital and worthy mission.
